Dear Jim,

My name is Chris Bugenhagen and I am the owner of 8065 Greiner Rd. I am writing this letter to clarify my position on Benderson Developments proposal to create an access road to Greiner Rd. from the Eastgate Plaza. After careful consideration of this project I DO NOT support this project in any way, shape or form nor will I in the future. I also DO NOT give Benderson Development permission to alter my property in any way to accommodate this project if it were to be approved. I think this project is illogical and not a good fit for this area. This project should be denied as it was before and should be prevented from being proposed in the future to prevent another waste of the towns resources. The REAL problem which is TRANSIT Rd should be remedied for the greater good but not at the expense of our neighborhood.

Thank You
